

Meet the Teacher

About Me

Welcome to Kids in Motion Academy! My name is Melissa Kunze and I am excited to be your preschool teacher and one of your school directors this 24-25 school year.

I started teaching preschool at KIM in 2010 and am thrilled to continue to do so this school year alongside my director's hat. After a year of teaching, I obtained my Child Development Associate (CDA) and received my Oklahoma Director's Credential from Oklahoma's Center for Early Childhood Professional Development (CECPD) in 2022.

When I'm not at school, I love being at home with my family. I have been married to my husband Keith since 2001. We have a son and daughter-in-law, Casey and Sha, that live in Edmond. Casey is a civil engineer and Sha is a registered nurse. Our daughter, Lily, is a Junior at the University of Central Oklahoma.

I'm looking forward to getting to know your child and family this year!
