

Meet the Teacher

Hello and welcome to Kids in Motion Academy! My name is Alexis Bowling and I am ecstatic to be your teacher this 2024-2025 school year! This will be my fifth year at KIM.

I obtained my Child Development Associate from Tulsa Community College after many years of working in the church nursery, various baby sitting gigs and working at SSB Kids. As a teacher, I committed to being a life long learner and do so through the Center for Early Childhood Professional Development of OK.

When I'm away from school, you can find me with my son, Kaiden or family. I also enjoy reading, being outside, taking walks and dancing!

Please reach out with any questions, concerns or ideas! I look forward to getting to know your child and family more throughout this school year.

See you soon!
